**THE WOMEN'S HEALTH AND CANCER
RIGHTS ACT**

Under federal law, group health plans and health insurance issuers providing benefits for a mastectomy must also provide, in connection with the mastectomy for which the participant or beneficiary is receiving benefits, coverage for:

- all stages of reconstruction of the breast on which the mastectomy has been performed;
- surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- prostheses and physical complications of the mastectomy, including lymphedemas;

in a manner determined in consultation between the attending physician and the patient.

These benefits may be subject to annual deductibles and coinsurance provisions that are appropriate and consistent with other benefits under your plan.
